Français

Lalica sait cueillir les plantes magiques
de la forêt, la nuit venue.

Elle connaît les herbes qui, cueillies la nuit,
peuvent séparer Nikola
de la très belle Marijka.

Un oiselet chante dans la forêt :
«Retourne à la maison, Lale».

« De la musique de mariage joue dans le
village, et Nikola a envoyé des gens pour te
chercher, Lale, sa promise ».

English

Lalica has learned to gather magic herbs in the
forest, in the evening,

She has learned about the herbs, gathered at
evening, that can separate Nikola from the very
beautiful Marijka.

A little bird is singing in the forest: "Go back
home, Lale."

"Wedding music is playing in the village, and
Nikola is sending people to look for you, Lale,
his bride."
