## Translation

Samiotisa, Samiotisa,  
when will you go to Samos?  
I will throw roses on the seashore, Samiotisa  
for you to to step on.

And on the boat on which you will travel  
I will put golden sails  
And golden paddles, Samiotisa  
to come and pick you up

Samiotisa with the beauty spots  
and with the black eyes  
You broke my heart, Samiotisa  
into forty two pieces.
