Tudora, beautiful innkeeper,
pour me some wine to drink,
pour me some wine to drink,
wine and clear brandy.

Pour me some wine to drink,
wine and clear brandy,
wine and clear brandy,
so we can drink and get drunk.

So we can drink and get drunk,
so we can confess our sorrows to each other. so
we can confess our sorrows to each other.
How we loved each other.

How we loved each other,
but never married,
but never married,
because of our cursed enemies.
